EXCLUSIVE!

Lucy's cracking calendar!

That nice Miss Collett has organised your 2014!

THE LOOK here – Lucy Collett informs us – for her new calendar is "saucy '50s housewife" and no man could argue she's nailed it better than a Ronaldo free kick. With cooking, washing up and having a bath in various stages of not-very-dressed, it's a wedded bliss scenario any man can relate to. "If you come home and I'm doing the hoovering in just a little, sexy pinafore, you'd be like, "Ooh!" she says, with wonderful understatement.

WORDS: RORY BUCKERIDGE

GO AND GET A LUCY A DAY!

You can nab Lucy's calendar for £10.99 from www.calendargirlsuk.com right now!

“A good way to test out new heels is to do the hoovering naked!”

“I look like a saucy receptionist with my glasses on!”

Turn the page for more Lucy...

“Naked cooking’s dangerous, especially if you’re doing fried eggs!”

“I’m pretty much every man’s dream to come home to!”

"In the calendar I'm a saucy '50s housewife!"

Jimmy Carr funnies!

Box-fresh gags from the planet-faced comic!

On food!

"I was in a hotel having breakfast. A waiter asked me if I want brown or white toast. I said, 'All toast is brown. You're thinking of bread.'"

"At any one time in a bar, a bowl of nuts will have 17 types of urine on it. That's why they're called peanuts."

On sexism!

"I heard on the news that bad drivers get on-the-spot £100 fines. I thought that was a bit sexist."

"Not all gay people are happy, camp and fun. Some are lesbians!"

"Men, here's a fact that will blow your minds about women's consumption of pornography. Women watch porn films to the end, to see if they get married."

"My girlfriend bought a T-shirt for £80. I thought that was a ridiculous amount for a T-shirt. It said D&G on the front. I suppose fair enough, one of her t*ts is bigger than the other!"

"It's a great feeling when you get a woman that you've been chasing... for miles."

"*Fifty Shades Of Grey* Is the ultimate flick book."

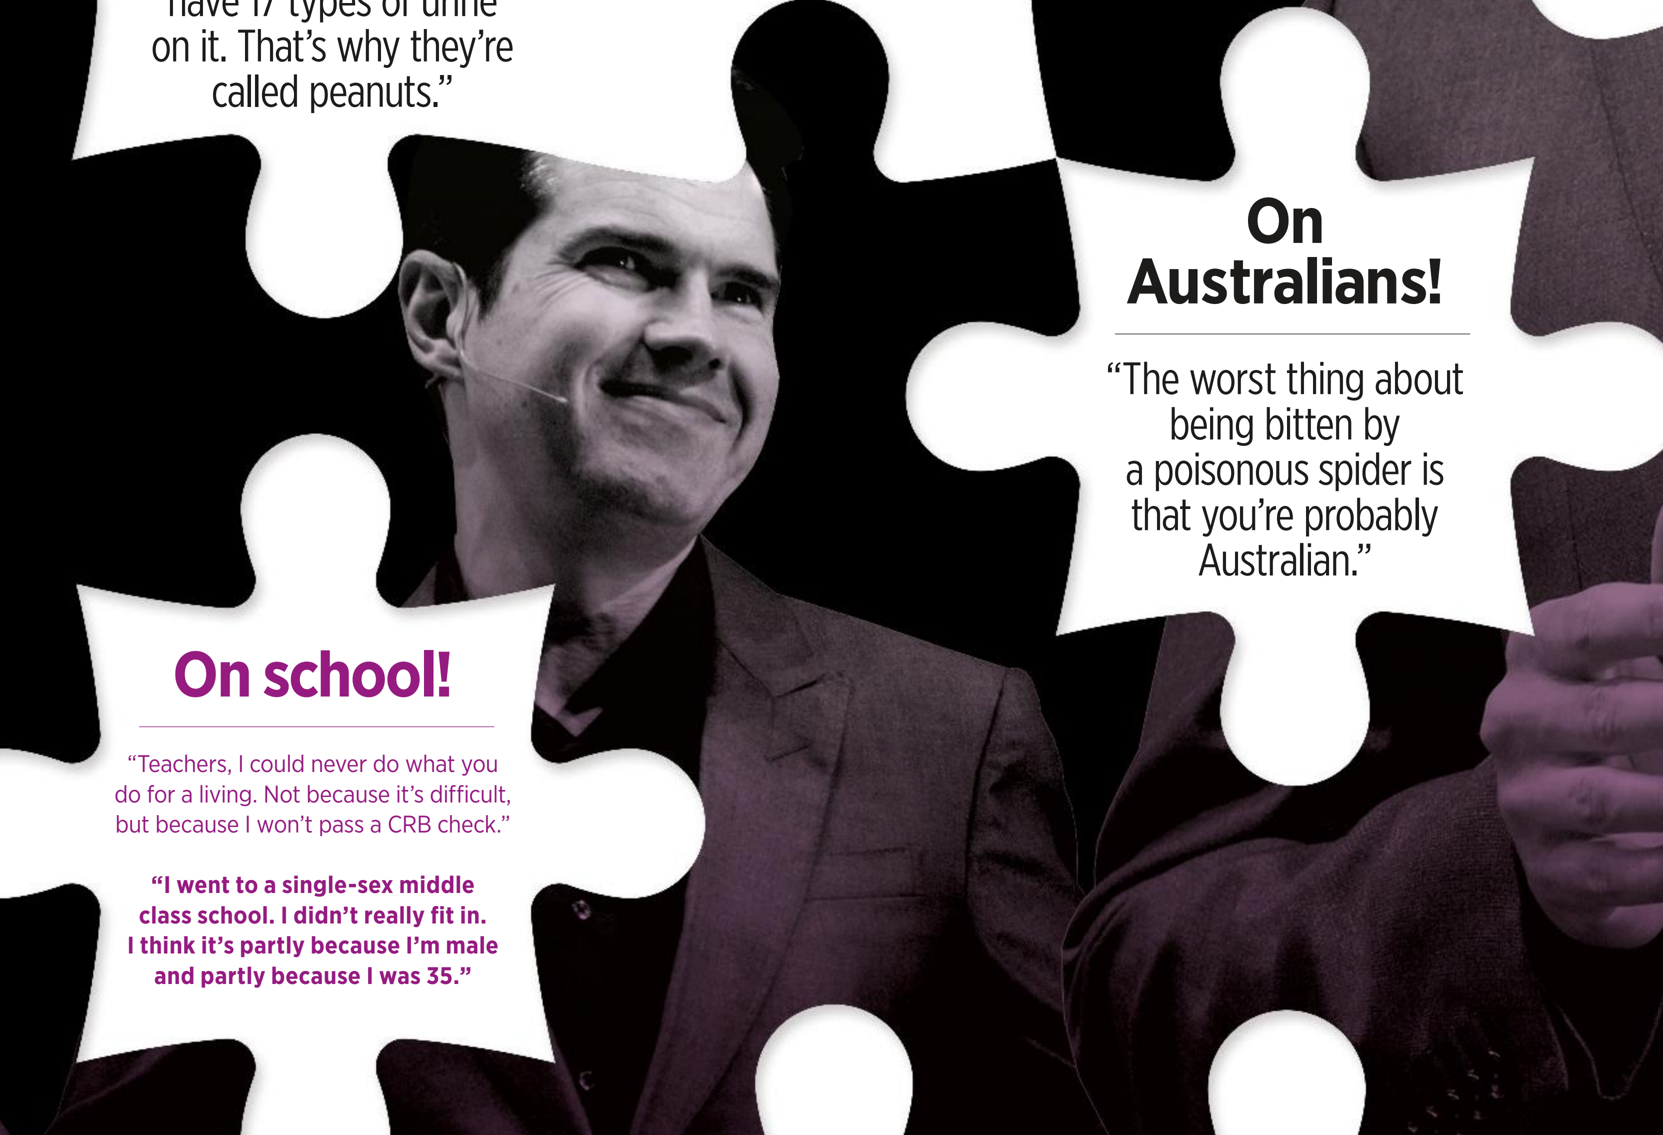
"Ladies, we're not interested in your kind of porn – we're happy with the service broadband is providing."

On religion!

"I'm not scared of Islamic suicide bombers – they can only do it once. But a Hindu suicide bomber's more of a threat, because of reincarnation."

"I don't like people who are famous because of their parents, like Calum Best, Peaches Geldof and Jesus."

"I can face the wrath of Islam, which sounds like a sh*t pub. There's no booze, no fruit machines, no pork scratching, but girls can get stoned."



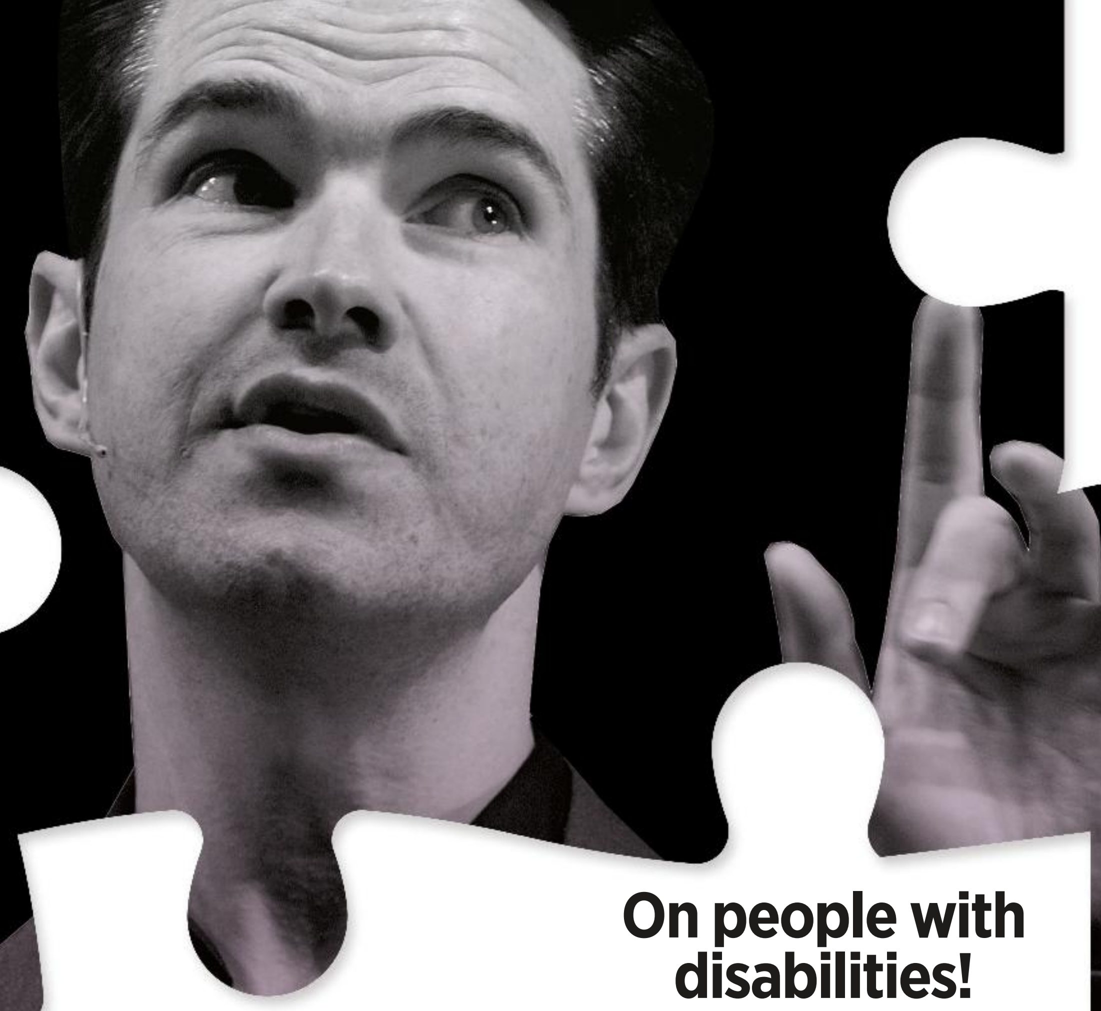
On Australians!

"The worst thing about being bitten by a poisonous spider is that you're probably Australian."

On school!

"Teachers, I could never do what you do for a living. Not because it's difficult, but because I won't pass a CRB check."

"I went to a single-sex middle class school. I didn't really fit in. I think it's partly because I'm male and partly because I was 35."



On Rooney!

"Wayne Rooney wears the number 10 shirt. Or as he calls it, the stick and the circle."

"All the celebrities have surgery these days. Coleen Rooney just had work on her arsehole. He's had a hair transplant."

On sex and relationships!

"If any girls come up to me after the show, I'm going to have to disappoint you. I mean, I will have sex, I'll just have to disappoint you."

"I think the most important thing in a relationship is trust, because if you're with a woman and don't 100 per cent trust her, how do you know she won't tell your wife?"

"All that groaning and grunting in women's tennis reminds me of sex. In that I'm watching it on screen while masturbating."

"I thought I was allowed to have sex with other women because me and my girlfriend were on a break. Apparently, I ruined that weekend at Center Parcs."

"A lot of people drift into relationships without thinking about them. We call those people men."

"Gentlemen, do you remember when you first told a woman you loved her. I do. I was lying."

"I hated imagining my parents having sex. So I watched from the closet."

On people with disabilities!

"They say laughter is the best medicine. So maybe if we keep laughing at people in wheelchairs [crosses fingers]..."

"Dwarfs often get overlooked."

"I can say dwarfs look up to me."

"What's the different between a normal room and a disabled room? A disabled room has a walk-in shower. It's taking the p*ss, isn't it?"

"There's a special name for people who've seen ghosts – schizophrenic."

"My grandad always insisted on standing up when a woman entered the room. That's ultimately why he lost his disability allowance."

"I saw a guy on the high street with a guide dog and a white stick. I go to him, 'You must be blind.' He said, 'Tell me something I don't know.' I said, 'There's a tree over there!'"

● Jimmy's new DVD, *Jimmy Carr: Laughing And Joking* is out now.

190mph car crash!

Man flips Honda an incredible 13 times. And, unbelievably, he walks away!

WORDS: RORY BUCKERIDGE

AT THE end of day, taking your tuned Honda Insight to around 190mph at the Land Speed Racing event at the El Mirage Dry Lake in California is an intrinsically silly thing to do. Mostly because this can happen.

This being a loss of control, 13 full flips and the car ending up, like a struggling beetle, on its back. Driver Brian Gillespie, incredibly, walked away with a collapsed lung, cut shin and bruise on his head. And cartoon tweety birds circling his bonce for a few hours, presumably.

“Mr Jenkins, it’s the garage… I’m afraid you’ve failed the MOT”

THE AFTERMATH!

A quick word with Stephen Graham!

The *Boardwalk Empire* actor on taches, trannies, trackies and testes!

She'd forgotten the Yorkshires again

Hi Stephen! We're really enjoying the latest series of *Boardwalk Empire*. Do you feel like you have a meatier part in this series?
Yeah. Al Capone is 23 now. He controls Chicago by the age of 27, so this series is predominately about the Capone brothers, Frank and Ralph. It's the natural progression for the Capones to slowly take over from Johnny Torrio.

Have you learnt anything about Al Capone you didn't already know?
I didn't know that he suffered from substance abuse. When Capone went for a medical in prison, they found most of his septum had rotted away due to cocaine. So it's been great to learn about him.

There are lots of moustaches in *Boardwalk Empire*, but you're baby-faced clean. Is it just that they all did Movember but Al Capone wasn't into it?
I had a pretty healthy tache in a film I did called *Awaydays*. It was reminiscent of Graham Souness' back in the day. So I can grow one! It's just that Al Capone historically never had one.

***Boardwalk*'s been extra gory and grotty this year. Do you feel bad telling your mum and dad to watch it?**
Um, no! My mum and dad watch it. My dad's a massive fan, and not just because I'm in it. He likes gangster stuff like *The Sopranos*. I don't think that the violence is gratuitous – it's necessary. They were unlawful times – everyone just went and grabbed what they wanted.

Is it hard keeping up the American accent?
I've got a very good coach. People compliment me on my accent in the show. When I introduce myself in America, I often get [does whiney American accent], "Oh my gawd, I never knew you were from Europe!"

We've had an idea for a cool futuristic spin-off of *Boardwalk Empire*, in which Al Capone transports to present-day Liverpool and has to take on some mad Scousers. You in?
Ha-ha! We'd have to call it *Boardwalk Bonfire*! It would be a completely different story but it could work. My tracksuit would be highly flammable…

If you could re-cast *Boardwalk* with Liverpool players, who'd play whom?
Johnny Torrio would be Graham Souness. Nucky Thompson would have to be Steven Gerrard. Lucky Luciano would be Kenny Dalglish, just because you can never understand him. And Meyer Lansky would be Sammy Lee.

If Al Capone had access to Tinder back in the day, what would his profile be like?
It'd just be a picture of him and underneath it would read, "Woman wanted." That's all he'd put because if Al Capone wanted something, he'd get it.

Did you really land the part of Tommy in *Snatch* by rolling up to audition with a friend and Guy Ritchie saying, "I like your face. You start Monday"?
It was actually for a short film called *The Hard Case*. But that's the exact story. I went along with a mate, sat there with a cup of tea and Guy went, "Right, you're next." I went in, read, and he went, "I like your face, you start Monday." I went, "What am I going to say to my mate?" He went, "F**k him!"

Ha! You've told *Nuts* in the past that you play *FIFA* with Leonardo DiCaprio and Johnny Depp. Who's winning at *FIFA 14*?
You know, I saw Johnny and Leo the other week but we didn't play *FIFA*. I did play against Anatol Yusef who plays Meyer Lansky in *Boardwalk*, because he's a big Arsenal fan and I'm a Liverpool fan. I beat him 7-1. So I'm still winning.

Which one of your loopy characters would you most hate to be stuck next to on a National Express coach?
Ha-ha! Definitely Al Capone. You'd be sh*tting yourself to say anything in case he bit your ear off or something. I could handle Tommy from *Snatch* – he's dim but gentle, so he'd be fun. I actually find Scrum from *Pirates Of The Caribbean: On Stranger Tides* quite funny, so he'd make me laugh. Combo from *This Is England*? That would depend if he's pre- or post-prison. Hopefully I'll find out what he's like when I do *This Is England '90*.

Ah yes, *This Is England '90*. What can you tell us about it? Can you remember the 1990s?
Hey, I'm not that f**king old! We're going to start rehearsals soon so I can't tell you any more until then. I had a great time in the '90s. It's when I went to university, met my wife and went to lots of mad raves and parties.

You were once in *Corrie*, set in Manchester. How did that go down in Liverpool?
Well, all my aunties were

really made up because it’s the kind of show they watch. So it was all good.

Did you mind your whole family seeing you with your goolies out in that BBC drama *Occupation*?
They weren’t out! I wanted to go b*llock-all, but we were in Morocco, so I had a little modesty pouch. I squeezed my cheeks together and tucked a soft thing between my cheeks and arse so it covered my c*ck and balls.

Thanks, Stephen! Finally, did you secretly fancy Sean Bean when he played a tranny opposite you in *Accused*?
Yes I did. He had really fantastic knockers.

Half a million Christmas lights!

Strangely obsessed Aussie chap breaks records!

IN A week or so you'll be hoiking dusty Christmas lights out of lofts and cellars and sticking up a wonky tree. Well, you can do that in the knowledge that your shonky effort is comically amateur compared to the 502,165 lights erected last week by Canberra resident David Richards. Around 70,000 people visited last time he did this. 70,001 including Santa. He's not going to miss this gaff!

- **This year, David's actually reclaiming his 2011 light record (311,038) that he lost to a New York family in 2012 (346,283). Take that, Uncle Sam!**
- All these lights are linked through over 31 miles of wiring. They took a month to put up.
- **The lights cost £1,400 a month to run, but the cost is being covered by a local electricity company.**
- Some of David's neighbours haven't spoken to him since 2011.

Meet Jaguar's gorgeous F-type Coupé!

It's British, it's beautiful and it's now got a winter-proof roof. It's Jag's best coupé yet!

- **Birmingham-based Jaguar continues to wage sports car war on ze Germans. This is the all-new F-Type Coupé, which is an F-Type roadster blessed with a hard roof. Regardless of whether you choose an aluminium, panoramic glass or carbon-fibre roof, this is the most torsionally rigid production Jag yet. It's also significantly cheaper than its cloth-roofed cousin. And marginally lighter. Whoop! Whoop!**
- Launched at the recent Los Angeles Auto Show under a relentless strobe of flashguns, the F-Type Coupé comes in three engine flavours: 335bhp and 375bhp "S" supercharged V6 options, which are carried over from the convertible but cost £7,285 less. But where the range-topping V8S roadster brought 488bhp to the table, the flagship coupé – labelled R – has the firm's supercharged 5.0-litre 32v V8 in its fiercest form.

"Stop looking! You're making me blush!"

EFFING AWESOME!

Car would regret not applying suncream because it was overcast

WORDS: JONNY SMITH

- **So say hello to 542 very vocal horses and the full-on chatter of a limited 186mph. This is both exciting and worrying, because at no point did we think 488bhp was lacking in trouser growl. And Jag also mentioned there's room in the world for an RS version.**
- Like other F-Types, all Coupés are fitted with the eight-speed paddleshift automatic gearbox, which is the best two-pedal transmission that man can currently buy. Trust us, you won't want a manual after driving this.
- **The F-Type roadster has possibly the angriest sounding exhaust note of any car born in 2013 and the same "Satan gargling lava" tailpipe acoustics continue with the Coupé.**
- So just how quick is the F-Type R Coupé? It reaches 60mph in 4.0 seconds, which is 0.2 seconds swifter than the V8S convertible. More importantly, it means the £85,000 R Coupé matches the price and acceleration figures for Porsche's jolly decent 911 Carrera S PDK.
- **And thanks to the sloping glass tailgate of the Coupé, boot bulk has more than doubled – Jag promises sufficient space (407 litres) to hold a pair of golf bags. Or the pallet of cash you'll need to take to the showroom, as costs are between £51k and £85k.**

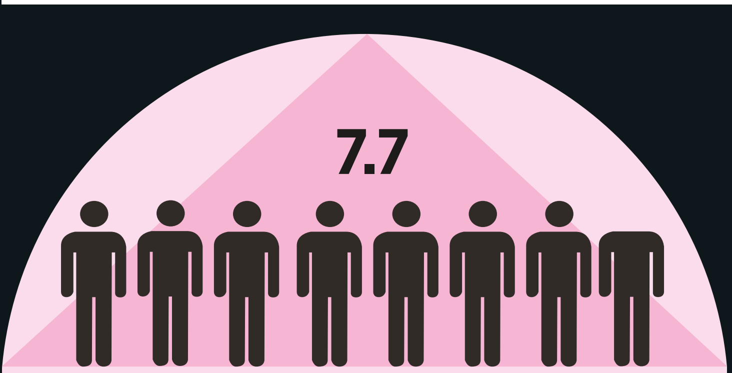
Women! The facts!

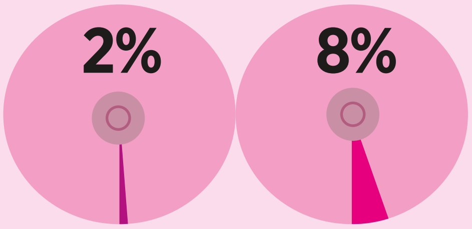
Two-year-long sex survey speaks to 15,612 people about fornicating. We learn a thing or two about the ladies...

POPULAR MEDICAL periodical *The Lancet* last week published the latest instalment in a series of surveys about sexual health in Britain, this time getting over 15,000 people to talk frankly about their copulation. Chaps! Listen up! Here are the salient points!

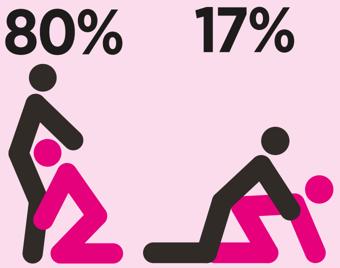


LADIES ARE HAVING MORE PARTNERS!
Ladies' sexual partners are on the increase, and have more than doubled in 20 years. In 1990/91 it stood at 3.7 lifetime conquests, now in the 2010/12 survey, that's jumped to 7.7.

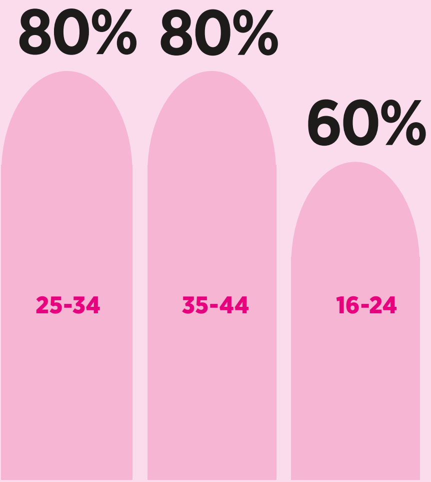
PLUS! MORE LESBIANISM!
Lesbianism is more popular than ever with 2% of ladies trying it in 1990, up to 8% diving in by 2010.

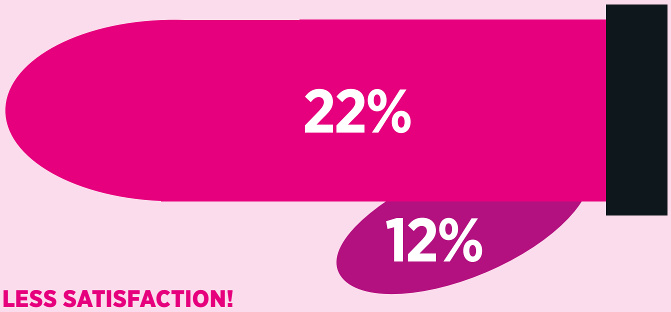


AND MORE ORAL AND ANAL SEX!
80% of 25 to 34-year-olds have given or received oral sex in the past year. 17% of 16 to 24-year-olds have taken part in anal sex in the past year.



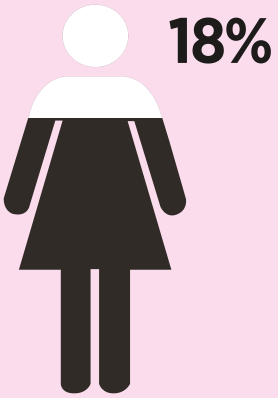
WE'RE REGULARLY SEXUALLY ACTIVE!
80% of women aged 25 to 34 reported doing the horizontal tango within the last month. This drops to a spit under 80% for 35 to 44-year-olds. While just 60% of 16 to 24-year-old ladies report a sexual encounter within the last four weeks. So, younger chaps, be more charming!



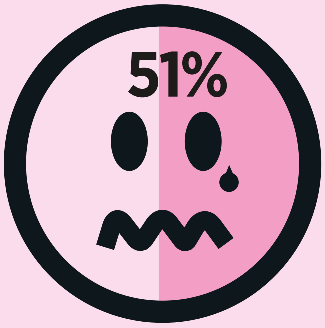


LESS SATISFACTION!
Of women who hadn't had sex in the past year, 22% were dissatisfied with their sex life, while 12% of ladies who'd done a sex in 12 months were left unsatisfied by the experience.

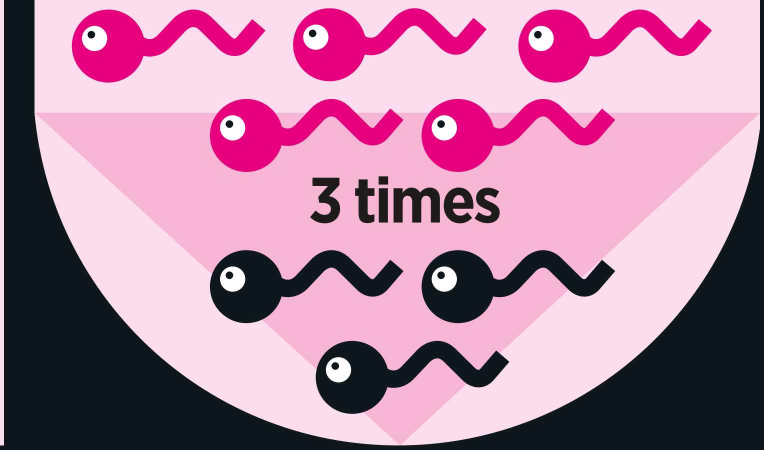
HEALTH ISSUES!
18% of women reported that they had a health condition (not necessarily an STI) that affected their sex life.



MORE DIFFICULTIES!
A worrying 51% of ladies had experienced one or more sexual difficulties in the last 12 months and 11% were distressed or worried about their sex life!



BUT WE'RE HAVING SEX LESS OFTEN!
Sadly, being busier means we're having less sex. It's down from five times a month in 1990/91 to three times in 2010/12.



MEET THE REAL-LIFE SUPERHEROES!

The Lycra-clad, *Kick-Ass*-inspired chaps keeping our streets safe!

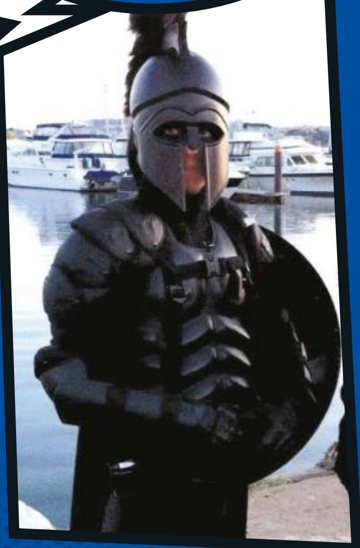
YOU'D THINK the story of the outrageously funny *Kick-Ass 2* – mild-mannered ordinary Joe decides to become a superhero, buys costume, pounds the city streets looking for crime to fight – would have no basis in reality. But you'd be wrong! Much like the action-packed movie, the UK is actually brimming with genuine, real-life caped crusaders keeping our streets clean on their own clock. Let's meet a few of these deluded, erm, brave chaps!

SUPERHERO: THE DARK SPARTAN

His beat: Torquay, Devon

Real name: Will

Bio: After "coming out" to his wife last year, The Dark Spartan has been patrolling the streets of Torquay on weekends in a costume mostly bought from eBay!



SUPERHERO: NIGHT WARRIOR

His beat: Salford

Real name: Roger

Bio: Wearing a blue and black Lycra costume, Night Warrior has been keeping the streets of Salford safe since 2010. "Genuineness is his best defence," his mum has commented, adding that she's, "slightly worried."

SUPERHERO: THE SHADOW

His beat: Yeovil, Somerset

Real name: Ken

Bio: The unemployed dad hides in bushes in Yeovil, before leaping out with a "growling war cry" and using his Ninjutsu skills to settle disputes, claiming to have prevented "dozens" of crimes.

SUPERHERO: THE STATESMAN

His beat: Birmingham

Real name: Unknown

Bio: A banker by day, the Union Flag-sporting superhero starts his patrols from 7pm and has broken up fights, prevented burglaries and even caught a drug dealer. "A statesman is someone who delivers a message," he told reporters.

Win *Kick-Ass 2* and a big, posh telly!

Want to win a copy of *Kick-Ass 2* plus this flash flatscreen TV and a Blu-ray player to watch it on? Then just tweet what your ideal superpower would be and why to @nutsofficial #KickAss2DVD (keep it clean, gents!) and we'll pick the one which makes us chuckle the most. Good luck – unless you're as funny as this film, in which case enjoy your prize!

JOKE OF THE WEEK!

Wrong storey!

A WOMAN goes to the gynecologist for a check-up. She undresses and opens her legs.

The man says, "Above!"

The woman raises her legs higher.

The man says, "Above!"

So the woman picks her legs up even higher, until she's really struggling to hold them up.

The man starts screaming: "Above!"

The woman replies, "I'm really sorry but I can't get them any higher than they are!"

The man says, "Gynecologist office upstairs – this is a hairdresser's!"

Killer gag!

A MURDER suspect's trial isn't going very well, so his lawyer resorts to a trick.

"In one minute, the real murderer will walk into this courtroom," he tells the jury.

Stunned, the jurors look towards the door, but nothing happens.

"I lied," says the lawyer, "But you looked over with anticipation, which proves there's reasonable doubt as to my client's guilt."

The jury retires then finds the defendant guilty.

"But you all stared at the door!" protests the lawyer.

"True," says the judge. "But your client didn't!"

A MAN gets lucky one night and his date takes him back to her place. Lying in bed after they've had sex, he notices a framed photo of a tough-looking man.

"Er, is this your husband?" asks the man.

"No, silly," replies the woman.

"Your boyfriend then?" asks the man.

"No," she says. "It's me before the operation!"

A TEENAGE girl brings her boyfriend back from college and asks her mum if it's alright if she takes him into her bedroom.

"You're a grown up, now," says the mum, "But don't do anything stupid."

Later, the mum is walking past the door when she hears, "Baby, baby, baby, ooh!" inside.

She bursts in and screams, "What the hell do you think you're doing?"

The girl says, "Mum! We're having sex!"

"Thank God," replies the mum. "I thought you were listening to Justin Bieber!"

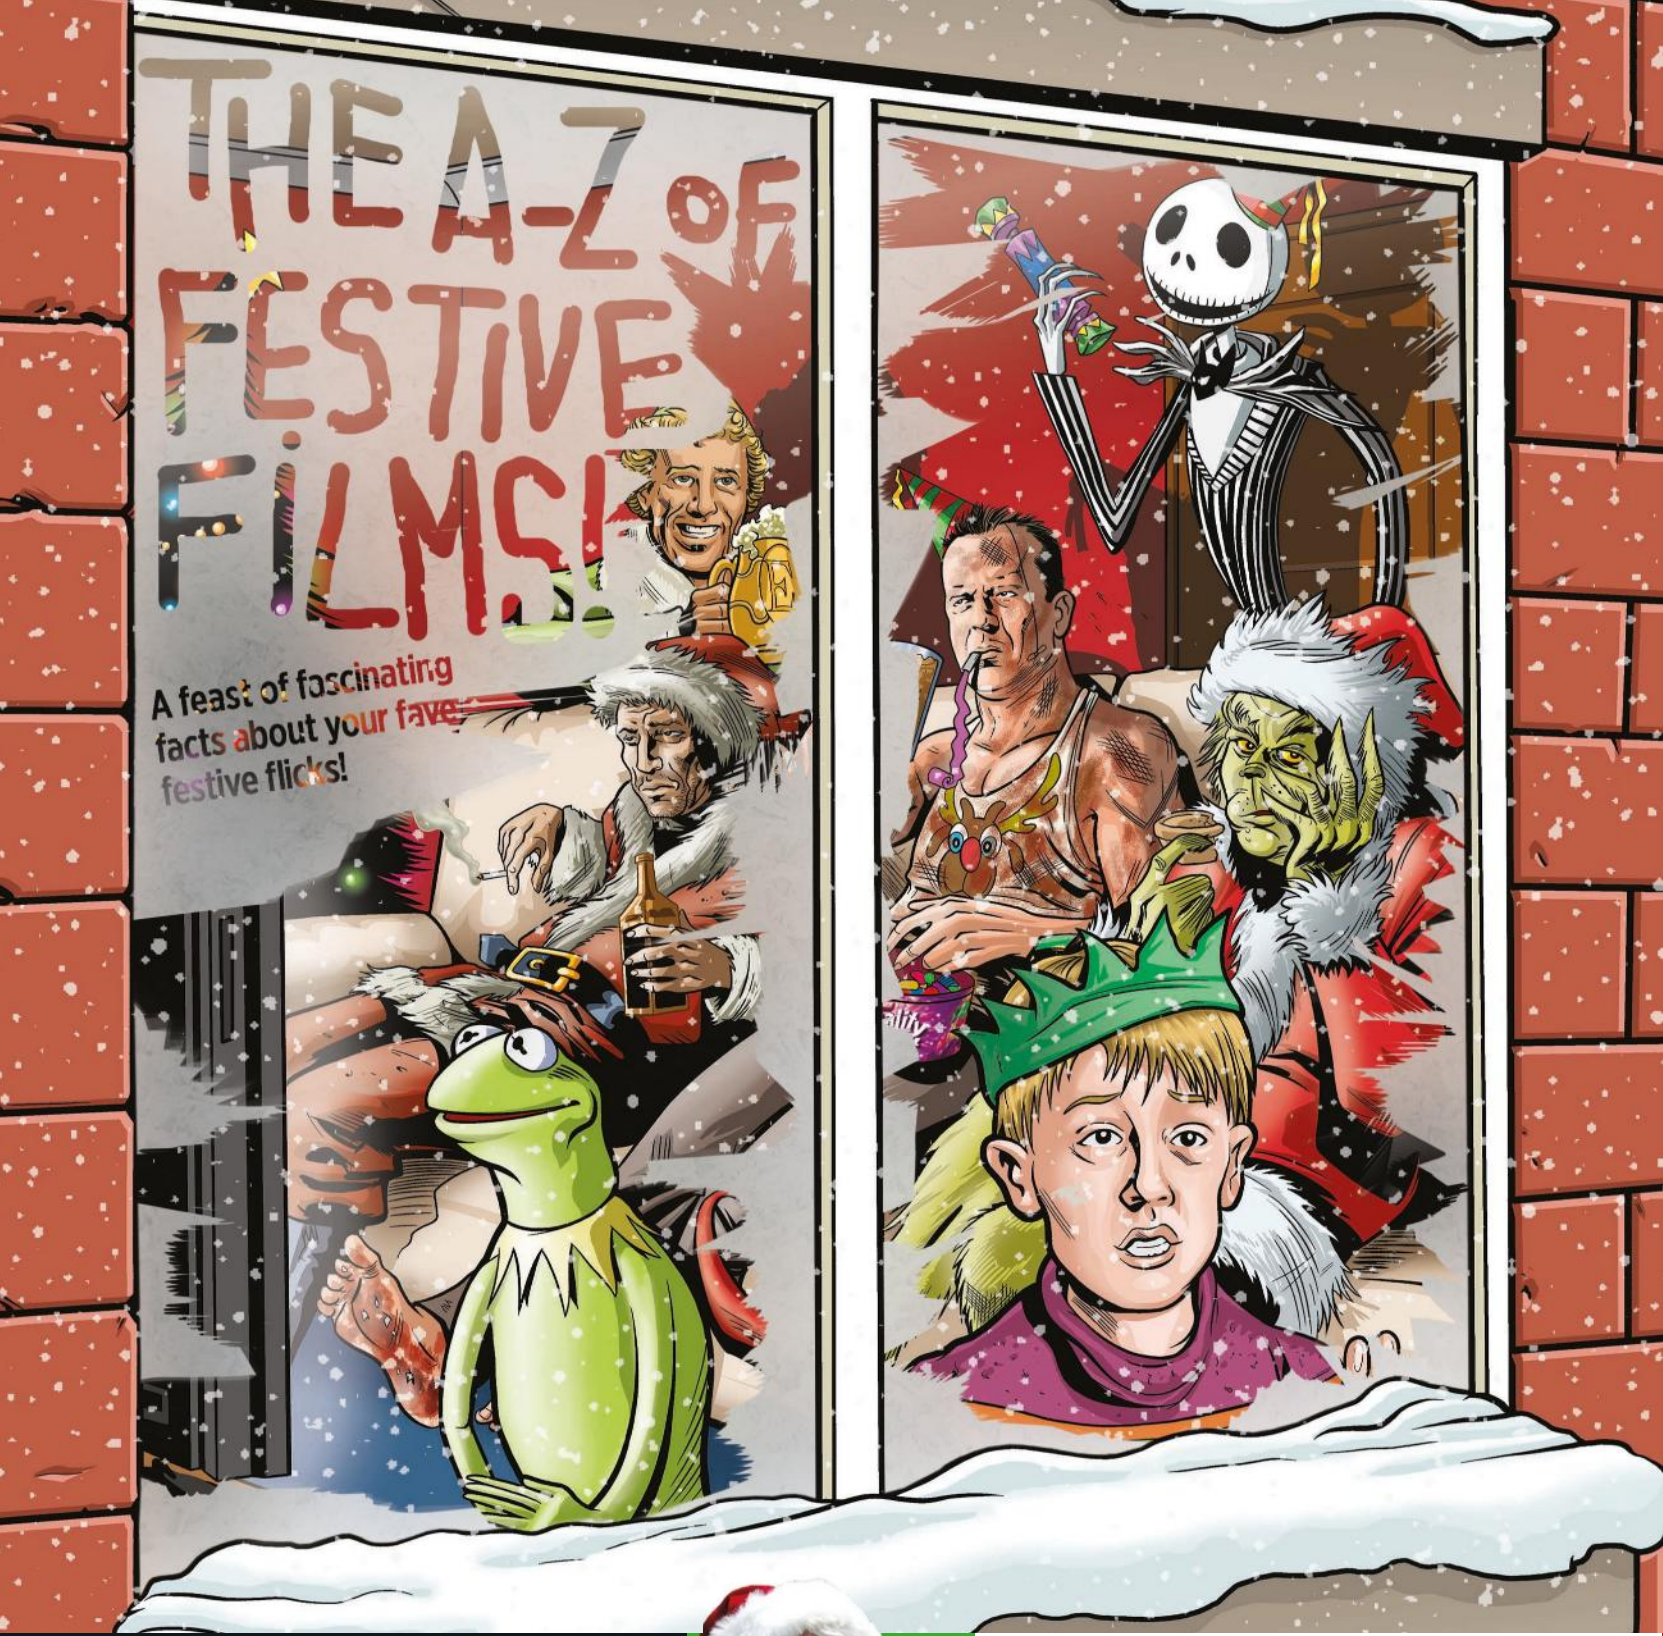
THE A-Z OF FESTIVE FILMS!

A feast of fascinating facts about your fave festive flicks!



A is for… *Arthur Christmas*. 2011's star-studied festive romp was penned by Peter Baynham – the same bloke who used to write *Alan Partridge*. He appeared as the guy without a voice box in one *AP* episode.

Animation. It took animators an entire week to make just one minute of creepy Christmas classic *The Nightmare Before Christmas*. The whole movie took more than three years to produce.

B is for… *Bad Santa*. In 2012, a real-life Bad Santa from South Shields told a court he was inspired to hide in a grotto and rob a department store after seeing the sweary 2003 Billy Bob Thornton flick.

Batman Returns. Director Tim Burton said of the gothy Chrimbo classic that Christopher Walken's insistence on wearing cufflinks made from human molars made him an uncomfortable casting decision.

C is for... cursing. The F-word is used 127 times in 2008 Christmassy flick *In Bruges*. In *Home Alone*, Joe Pesci found it hard not to swear. The solution? To use the word "fridge", which he mutters throughout.

A Christmas Story. Child star Peter Billingsley went on to feature in pal Jon Favreau's *Elf* in an uncredited role as the head of Santa's workshop.

D is for... *Die Hard*. The first two outings of this ass-kicking festive franchise are synonymous with Christmas Eve. John McClane's seasonal slaughter-fest notches up 34 bodies. Glad tidings indeed!

Deck The Halls. Its six per cent rating on Rotten Tomatoes makes Danny Devito's comedy possibly the worst Christmas movie ever. Critics panned it, with one magazine reviewer quipping, "Got any kids who've been naughty this year? Here's their present."

E is for... *Elf*. Sky Movies swiped this Will Ferrell classic from Channel 4 this year. Santa's "Nice List" in the film contains the names of everyone who worked on the movie. Aw!

Eastern Promises. To prepare for his role as Russian mobster Nikolai in this yuletide-set thriller, Viggo Mortensen spent five days driving around the Siberian mountains, alone and without a translator. Merry Christmas, Viggo!

F is for... *Four Christmases*. During filming, a ceramic plate fell on Reese Witherspoon's face. She needed five stitches in the resulting cut.

Fred Claus. Frank Stallone, Stephen Baldwin and Roger Clinton cameo in a scene where they complain about their more famous brothers.

G is for... *The Grinch*. Jim Carrey's hairy Grinch costume was made from real yak hairs. He spent a total of around 92 days dressed as the Christmas-hating critter.

Gremlins. In a scene from an early script of this alternative Christmas classic, one character was to be decapitated and have her head thrown downstairs.

H is for... *Home Alone*. "Crook" Joe Pesci accidentally bit Macaulay Culkin's finger for real during the scene in which he threatens to, er, bite his finger off. This has left Macaulay with a permanent scar.

Ho-Ho-Ho! The *Die Hard* scene where McClane ties a guy to a chair and writes "Now I have a machine gun. Ho-ho-ho!" has inspired a Christmas jumper range.

I is for... *In Bruges*. Since Colin Farrell's Ray called yuletide Bruges a "sh*thole" in the 2008 film, the city's mayor has put strict criteria in place for any TV and film projects using the city as a setting.

Intelligence. The FBI reportedly created an intelligence file on Christmas classic *It's A Wonderful Life* in 1947, claiming the film discredited bankers – a trick supposedly employed by Communists.

J is for... *Jingle All The Way*. 20th Century Fox were ordered to pay £1million to a teacher who claimed they'd stolen the script idea from him. This was reversed when the court learned the teacher submitted his script when the film was in development.

Joyeux Noel. This 2005 flick tells the First World War story of British and German troops playing football in No Man's Land on Christmas Day 1914.

▶

K is for...*Kiss Kiss Bang Bang*. Robert Downey Jr recorded an album while shooting the 2005 Christmas crime caper. *The Futurist* reached 121 in the US.

Killer Santa. The 2005 movie *Santa's Slay* stars ex-WWE star Bill Goldberg as a killer Santa who also happens to be the son of the devil. It includes him choking someone to death with a turkey leg.

L is for... *Lethal Weapon*. Mel Gibson's bad-ass 1987 cop movie is up there with *Die Hard* in the "shouldn't-really-be-a-Christmas-movie-but-sort-of-is" stakes. Coincidentally, Bruce Willis was initially considered for Gibson's role of Riggs.

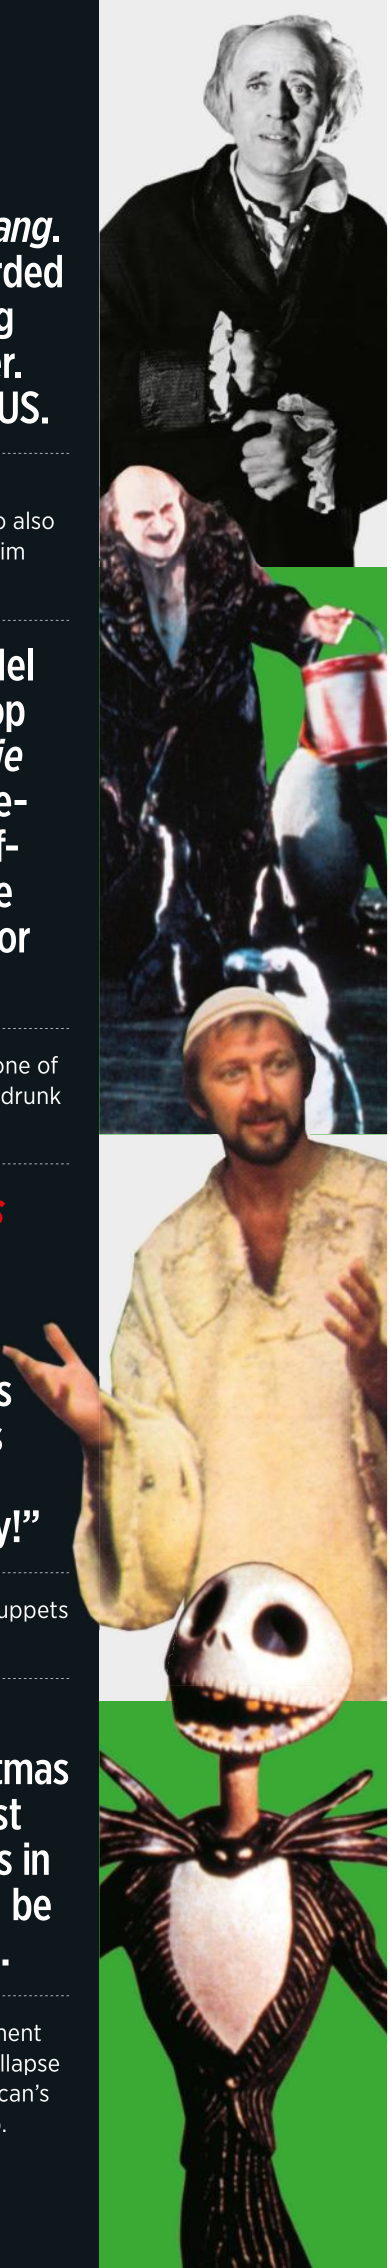
Love, Actually. In this sappy Christmas staple, one of the three women Kris Marshall's character gets drunk with is January "*Mad Men*" Jones.

M is for... *Monty Python's Life Of Brian*. The film about that notoriously Christmassy bloke Jesus Christ was banned in Norway upon its release, leading to film-makers advertising with the line: "So funny, it was banned in Norway!"

A Muppet Christmas Carol. This was the first Muppets film to be released after Jim Henson's death.

N is for... *The Nightmare Before Christmas*. Christmas thief Jack Skellington first appeared five years prior to this in *Beetlejuice*, where his head can be seen on top of Beetlejuice's hat.

New York stores. The fictional Gimbels department store in *Elf* was a real chain of stores until its collapse in 1987. In *Home Alone 2: Lost In New York*, Duncan's Toy Chest is fictional and was filmed in Chicago.



O is for... the original festive flick. *A Christmas Carol* – the grandaddy of seasonal stories – has been adapted for film more than 20 times. The earliest surviving version is from 1901.

Odd Christmas. Not feeling festive? Watch druggy 1999 movie *Go*. Set at Christmas, it features a lot of scenes you wouldn't want to watch with your family.

P is for... penguins. In *Batman Returns*, 30 African penguins and 12 king penguins were used to make up the Penguin's "Bird Army". A half a million-gallon tank was filled with water to make the penguins comfortable.

Punishments. 2010's *Rare Exports: A Christmas Tale* is our favourite holiday horror film. The Finnish flick sees Santa punish children in a variety of gruesome ways, assisted by his army of evil elves.

Q is for Queen Latifah – star of 2007 Christmas movie *The Perfect Holiday*. It made just £3million. However, the lowest-grossing festive film ever made was 2007's *Christmas In Wonderland*. It took £420.

Quitting. David Acomba, the original director of the ill-conceived 1978 effort *The Star Wars Holiday Special*, quit after just a few days.

R is for... *Rocky IV*. Sylvester Stallone spent eight days in intensive care while filming the Christmas-themed *Rocky* after Dolph Lundgren punched him so hard his heart slammed into his breastbone and began to swell up.

Rudolph The Red-Nosed Reindeer. The animation has influenced many films, including *Elf*, in which the elves wear the same outfits as in the 1964 classic.

S is for… *The Santa Clause*. Tim Allen almost lost out on the lead due to his involvement in a drugs-related incident. Luckily, Disney made an exception to their "no criminal record" policy.

Surviving Christmas. This 2004 Ben Affleck Christmas turkey was released in October of that year. It was released on DVD just two months later.

T is for… Tim Burton. In *Edward Scissorhands*, some of the cuts on Johnny Depp's face were real as it took him a while to get used to wearing scissors on his fingers.

Trading Places. The film's storyline of a Christmas bet gone wrong was so influential that in 2010 the US government introduced an "Eddie Murphy Rule" that made it illegal to use stolen information to make money on the stock market.

U is for… the undead. The 2009 yuletide yarn *Silent Night, Zombie Night*, about a Christmas Eve zombie outbreak in California, left the LAPD thinking a real gang war was happening during filming!

University. 1974 "Christmas on campus" horror movie *Black Christmas* is considered to be one of the first slasher flicks to hit the big screen. The Canadian film inspired the likes of *Halloween* and *Friday The 13th*.

V is for… the Virgin Mary. 16-year-old Keisha Castle-Hughes fell pregnant while playing the Virgin Mary in *The Nativity Story*. It was the first ever film to premiere in Vatican City.

Vacation. *National Lampoon's Christmas Vacation* stars Chevy Chase as a dad trying to give his family the perfect Christmas. Rocker Juliette Lewis and *The Big Bang Theory*'s Johnny Galecki play the kids.

WORDS: TOM WARD, SI CUNNINGHAM PHOTOS: REX FEATURES

A GRATEFUL
WAR VETERAN
THANKS YOU
MERRY
CHRISTMAS

W is for… White Christmas. Why does it always snow in festive movies? Blame Charles Dickens. The harsh winters of his early life stayed with him whenever he wrote about the festive period.

Winnetka, Illinois. 671 Lincoln Avenue in Winnetka, near Chicago, is the home of the McCallisters in the ***Home Alone*** movies. The house was on the market in 2011 for a cool $2.4million (just short of £1.5million).

X is for… xylophone. The soundtrack for *The Nightmare Before Christmas* has an extra scene where Santa discovers Jack and Sally have "four or five" children who play together in a xylophone band.

XXXmas. In 1995, Trey Parker and Matt Stone made a short, *The Spirit Of Christmas*, which featured the F-word an average of once every 17 seconds. It led to *South Park* being commissioned.

Y is for… *The Year Without A Santa Claus*. The fourth time John Goodman played Santa after roles in *Rudolph The Red-Nosed Reindeer*, *Futurama* and *It's A SpongeBob Christmas*.

"Yule Love It!" The slogan of fictional TV network IBC that features in Bill Murray's *Scrooged*. Highlights of their listings include *The Night The Reindeer Died*!

Z is for… zapped cat. Bosses wanted to remove the scene in ***National Lampoon's Christmas Vacation*** in which a cat bites a fairy light cord and is electrocuted. Then test audiences voted it their favourite scene.

Zooey Deschanel. The trained pianist and jazz singer did all her own warbling as Jovie in *Elf*! ✖

JOEY FISHER

NEW ENTRY!

It's barely been a year since the fabulously fit Joey first shot for *Nuts*, but it's a meteoric rise to success for yet another booby babe from Wales!

YOUR SEXIEST BABE 2013!

Hello Joey! Congrats on being voted 2013's sexiest lady. How does it feel?
It feels amazing! I know I was up against some tough competition but I managed to come first thanks to my amazing fans. I'd like to thank everyone who voted so much!

You've taken the sexy crown from Lucy Pinder. What do you think about that?
I can't believe it! Ha-ha! Lucy Pinder is always number one in my eyes, so it feels a bit naughty taking the crown away from her. I'm sure she doesn't mind too much though.

Can you remind us of your first ever *Nuts* shoot?
My first ever shoot was with Stacey Poole, Holly Peers and Emma Frain. I was so nervous! I feel like I've come such a long way. I'm now one of the *Nuts* girls and it's amazing.

So which other girls in the top 100 have caught your eye?
Jess Davies – my runner-up. She's gorgeous and has an amazing body. And she's Welsh!

What's been your favourite ever *Nuts* shoot?
I liked the American-themed one and of course, the 500th issue shoot a few months ago.

So what are your future plans?
I'm hoping to do lots of *Nuts* shoots in 2014. I'm sure there'll be more with my big-boobed partner in crime, Stacey Poole!

Awesome! Finally then, how are you going to celebrate tonight?
I'm going to celebrate with a nice big glass of wine. Or maybe two... Then we'll see where that takes us!

10 RUDE QUESTIONS!

And a real girl to answer them!

Emma

23 Surrey

1 Where's the strangest place you've had sex?
"I was with my boyfriend of the time at a hotel restaurant. Our table had a long, white cotton tablecloth. My boyfriend pretended he was picking up his knife from the floor and proceeded to perform oral sex on me under the table. It was very exciting! When the waiter came over to take our orders, he asked where my boyfriend had gone. I couldn't help but laugh when I told the waiter he'd gone to the toilet and wouldn't be back any time soon!"

2 What's your trademark move in the bedroom?
"I don't have a trademark move. I like to spice things up rather than do the same thing every single time. I always make sure I join boyfriends in the shower afterwards though."

3 What really turns you on?
"A guy who knows how to use his tongue, and who isn't shy to talk dirty to me. I also really love having my neck kissed and my ears nibbled."

4 What's your favourite position?
"It has to be the reverse cowgirl, because I love being in control and it gives the guy an amazing view of my bum. I also love it because the guy can grab my bum and spank it!"

5 Is it better to give or receive?
"It's better to do both – although, to be honest, I prefer to give. I know how to keep my man properly satisfied. The tongue is the strongest muscle in your body, so why not make the most of it?"

6 What one thing would you really like to try but haven't yet?
"I'm very experimental so there isn't much I haven't tried, except for a threesome. If I ever have one, I'd like to be single at the time, though, rather than in a relationship."

7 Have you ever got it on with another girl?
"I've had a few drunken snogs with girls. I think sometimes girls can be better kissers than boys, actually, because they're more sexy and soft. I also have a bum obsession, so if I see a girl with a nice bum, I'll always look twice!"

8 What's your role-playing costume of choice?
"It has to be a saucy secretary outfit. It's just such a classic sexy look. I'm sure every guy at some point in his life has had a fantasy involving a hot secretary in an office."

9 **Have you ever made a sex tape?**
“No! You never know what website it might end up on if you break up with someone and part on bad terms.”

10 **What’s the rudest thing you’ve ever done?**
“I love sexting and sending sexy pics of my bum and boobs. I like knowing I can turn a guy on even when I’m not there. It’s great for building sexual tension.”

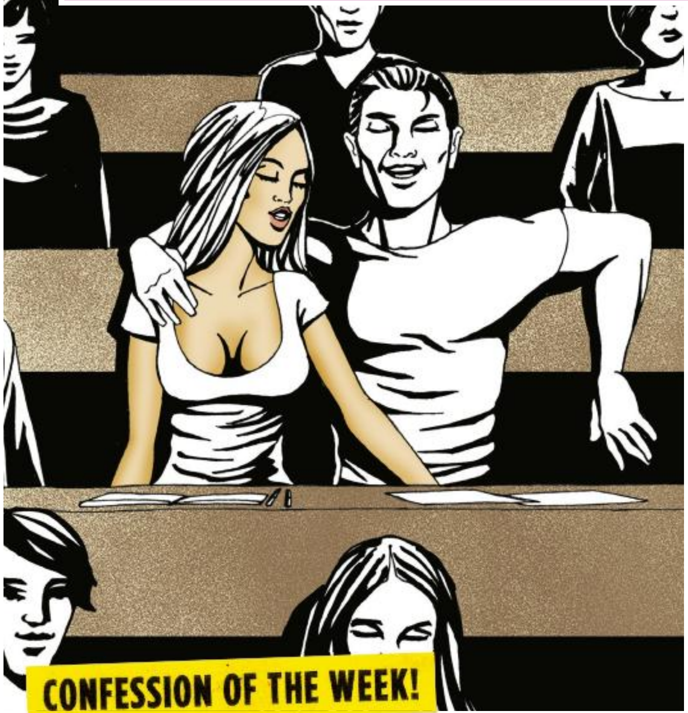
LADIES CONFESS!

TO OUR SECRETARY!☛

Racy revelations from our female readers!



CONFESSION OF THE WEEK!

‘We livened up the lecture’

ONE DAY, a boy I fancied was sitting next to me at a uni lecture. After a while, I gave him a cheeky smile and dropped my pen. As I knelt over to get it, I exposed my French knickers for him to see. I took my coat and put it over our laps then slid my hand on to his leg and undid his buttons. I could sense that he was about to explode so I put his hand down my trousers where he started to rub me. It didn’t take long for me to come. After that, I gave him my number with a time and a place where we could finish the job properly!

Sadie Barnsley

‘From taxi to bedroom’

I WAS at my best mate’s parents’ anniversary party last week, and got chatting to her brother who was back from uni. After sharing a few beers and doing shots, the conversation turned a bit cheeky and there was definitely sexual tension in the air. Afterwards, we were all sharing taxis back to my mate’s, and me and her brother were in a cab of our own. With the driver distracted on his hands-free, I slowly stroked his thigh and rubbed his massive hard-on. Before I knew it, he was sliding his hand up my dress and he could feel how wet I was. As soon as we got to the house, we went upstairs so I could take him in my mouth. I can’t wait to have some more fun next time he’s back home!

Bryony Leeds

‘Plush bash led to hotel dash’

A MALE friend who I’d fancied for absolutely ages invited me to be his plus one at a plush awards do, so I choose a really sexy black number for the evening. I’ve always known he has a bit of a thing for me and, with the booze flowing freely, he kept commenting on how gorgeous I looked. With that, I decided to send him a text revealing I wasn’t wearing panties. We wasted no time in finding an empty function room, where he bent me over a table and took me hard and fast from behind. It was so hot and intense that it was over in moments, but it felt amazing. We booked into a hotel afterwards and sealed our new relationship into the night!

Ladies, got a saucy secret you can’t keep to yourself? Send your sexy story to our Lou!

‘I was caught in the act’

I LIVE with my best friend and we’re very close – especially after a very embarrassing situation a few weeks back. I came home from work to find the house empty. I’d been a bit obsessed with a naughty website, and viewed it on a daily basis. After taking a shower, I went into my bedroom and, before getting dressed, began watching a video on the website. I got more and more turned and my fingers roamed all over my body. I started to rub myself and was gently moaning when the door opened. My mate walked in and I didn’t hear her for a few seconds, then I heard her giggle. She stood there and said, “I know what I’m buying you for Christmas!” I can’t wait to see the “gift” she has in mind!

INSULTS SPECIAL!

Help England fight back!

"Sledging ammo" to help the Barmy Army rib the Aussies!

WORDS: PETE CASHMORE PHOTOS: ACTION IMAGES, GETTY IMAGES

➔ **THE ASHES** is underway and it hasn't gone *quite* to plan for England, with a crushing defeat in the first Test. The chaps need the fans to get involved with some classic British p*ss-taking. So here's some ammunition to help you mock the Australians!

● The second Test starts Wednesday 5 Dec, 11pm on Sky Sports 2/HD.

CHRIS ROGERS

NOT MUCH COP!

Just not very good, really. Made his Ashes debut at the age of 35 – he's 36 now – and has made 17 runs in the series so far. Mind you, that's 17 more than Graeme Swann has managed.
Suggested sledge: "Who's the grandad, who's the grandad, who's the grandad at the crease?"

STEVE SMITH

HE'S A LOOKER!

This man looks about ten years old. At the 2012 IPL Players Auction, nobody bid for him. Awesome spoof Aussie website alternativecricket.com declared him "cricket's ugliest man" in 2011. Harsh but fair!
Suggested sledge: "Jeez! It's Ian Bell's evil twin!"

MICHAEL CLARKE

NOT WITTY!

Has already picked up a 20 per cent match fee fine for telling James Anderson to expect a "broken f**kin' arm." Once ribbed Kevin Pietersen with the immortal zinger, "Nobody likes you." Hurtful.
Suggested sledge: "Think of something funny to say, Clarkey, we've got until January!"

SHANE WATSON

BROKEN HEART!

Got a tad mouthy not long after being dumped by his girlfriend in 2008, so Kevin Pietersen quipped, "You're just upset because nobody loves you any more." Doesn't get on with his captain either.
Suggested sledge: "Watto, I've got a girlfriend you can have, you just have to blow her up first!"

MITCHELL JOHNSON

SENT PACKING!

Got chucked off a tour of India earlier this year because his team got homework and he didn't do his. His often wayward bowling led to the Barmy Army chant of, "He bowls to the left, he bowls to the right, that Mitchell Johnson, his bowling is sh*te!"
Suggested sledge: See song!

VB
Ashes 2013

BRAD HADDIN

MANAGER'S PET!

The Aussie wicket-keeper is also the team snitch, being as he's the man who collects all the individual players' fines for breaches of discipline. Must be very busy while he has David Warner as a team-mate! **Suggested sledge:** "Sir! Sir! I saw Peter Siddle spitting, sir!"

GEORGE BAILEY

PLASTIC JOCK!

George ended up turning out for Scotland, of all people, between 2007 and 2010. Being born in Launceston, Tasmania, with no apparent Scottish ancestry, he was naturally the man for the job. **Suggested sledge:** "Hey George, if you were really Scottish, you'd be in the beer tent!"

PETER SIDDLE

NO MEAT FOR PETE!

Peter adheres to a strict vegan diet that was suggested to him by his girlfriend. When he was a youngster, he was a champion wood chopper. In other words, he's progressively getting less manly as he gets older. **Suggested sledge:** Just throw sausages when he's fielding.

RYAN HARRIS

NASTY NICKNAME!

Admittedly, Ryan is a bit tasty with the ball, but there's comedy mileage to be gained from the fact that his team-mates have nicknamed him "Rolf". Which, is, to say the least, unfortunate for the guy. **Suggested sledge:** "Hey Rolf, do you like *Two Little Boys*?"

DAVID WARNER

NAUGHTY MISSUS!

Took a ridiculous drunken swing at Joe Root during the summer series. David's missus is Candice Falzon, an athlete better known for being filmed getting jiggy with rugby star Sonny Bill Williams in a hotel toilet. Stay classy, Candice! **Suggested sledge:** "I think your Sheila's at it in the dunny again!"

NATHAN LYON

SING-SONG MAN!

One of the Marti Pellow lookalike's duties is to sing the victory song, which goes: "Under the Southern Cross I stand/A sprig of wattle in my hand/A native of my native land/Australia, you little beauty." **Suggested sledge:** "If you sing at the end, doesn't that make you the fat lady?"

EXCLUSIVE!

Dawson: 'AVB is hungry for success!'

The Spurs skipper on style, talented team-mates and his incredibly long balls!

Hi Michael! What's it like playing under a cool manager like Andre Villas-Boas?
Ha! AVB is pretty cool, to be honest. He's only 36, so he's younger than some of the players – by which I mean Brad Friedel! He's a real good guy – he may be young but he's as hungry for success as the rest of us.

Does he approve of your 50-yard diagonal balls?
Yeah – when they hit the man! As long as the ball reaches its intended destination, the gaffer's happy with them.

Tell us something that we don't already know about Andros Townsend.
Oh wow. [Michael strokes his chin in deliberation for an age.] OK, I'll go with this: his car is always a mess. Even if he's giving you a lift.

Who's the most stylish player at Spurs?
We've got a few well-dressed players to be honest. Robbie Soldado gives it a good go and Emmanuel Adebayor's style is a little bit different – he sometimes manages to look good. But I'd have to give the title to Robbie because he looks the best on a regular basis.

What about the worst-dressed player?
A few of the lads wear tracksuits constantly to get away with it. Brad Friedel was always one of the worst offenders but he's actually recently upped his game. If he hadn't, it would've been him for sure!

Is anyone on the squad really good at anything that may surprise us?
Yeah, Sandro is unbelievable on the guitar! If I ever have a house party, I'll hire him to get on his guitar and keep everyone entertained. He doesn't take it on European trips but he does have one at the training ground which he can just get out and play when he likes.

Spurs have plenty of players – when you play *FIFA*, do you pick yourself?
I don't play *FIFA*, I'm useless! I don't play *Football Manager* either. My nephews all pick me, though. As long as they carry on doing that, it's good enough for me.

Talking of family, you played against your brother Andy in 2010 when he was at Hull. Did you enjoy that?
It was great! I've got a framed photo of me and Andy shaking hands beforehand. It was a really good feeling, despite being a little strange. And because he's a left-back, I never actually got up against him so it wasn't too bad. Mum and dad were probably more nervous than us – they were glad it ended 0-0!

"Is this appropriate match attire?"

What do you do when you're not playing footy?
I've got two dogs that keep me busy and in the summer I play golf. You won't catch me on the course in the winter – it's strictly a summertime thing.

Is it true most footballers just sleep when they're not working?
Pretty much, yeah! The lads all love their sleep. It's bred into us from a young age that you need adequate kip. For a European game, we'll get up and meet the team in the morning and then go to our hotels where we have three or four hours to kill – so what else are you going to do?

What CD are you listening to on the way to training these days?
CD? CD? What do you think it is, 1994? [His agent suggests Katy Perry.] What? No, we can't say that! I just listen to the radio – TalkSport or Kiss. It really just depends what mood I'm in.

Who's the main DJ in the changing rooms?
Lewis Holtby is usually in charge of the music, and he's not bad, actually. It's always something different, which is good because there are a few lads in the changing rooms who... Well, let's just say that if I'd put their headphones on and had a listen, I wouldn't be too impressed!

Who's the toughest striker to play against?
When you play in the Premier League, you're up against very tough players, week in week out. There's the likes of Wayne Rooney, Luis Suárez, and then people I train against on a daily basis: Robbie Soldado, Emmanuel Adebayor and Jermain Defoe. They're all top players. We've also come up against someone recently who isn't too bad either – Man City's Kun Agüero.

WORDS: JOE BARNES, PETE CASHMORE PHOTOS: EUROPICS, ACTION IMAGES

"Just spit your gum out and nobody gets hurt!"

> "Friedel is the worst-dressed Spurs player!"

If you weren't a footballer, what job would you do?
It'd have to be something in sport. I used to play for North Yorkshire's cricket team as a kid. I'm not sure if I'm good enough to go pro, though!

Thanks a lot, Michael! To finish, have you got any guilty pleasures when it comes to eating?
That's an easy question to finish on. Chocolate!

- Michael Dawson was speaking at a photoshoot to mark the launch of the Philips Sonicare DiamondClean Black toothbrush, available now from Boots, John Lewis and amazon.co.uk. For further info, go to philips.co.uk.

GRAB YOURS. EVERY WEEK

He's the voice of the fans – and he's only in *Nuts*!

"Leave off, Wes. Can't you see I'm practising my flamenco dancing?"

Refs just keep getting worse!

The more we strive for consistency, the less we get!

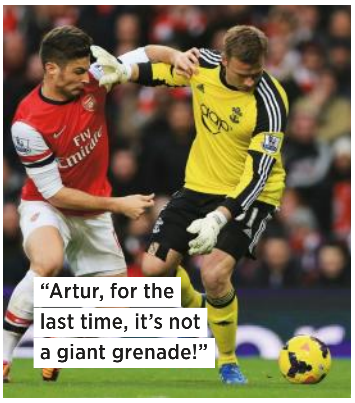
THE STOKE City vs Sunderland game saw Kevin Friend make one of the worst refereeing decisions of an already bad season for refs. Sending off Wes Brown for what was actually an excellent, well-timed tackle that won the ball was a joke.

It must have been the easiest decision in the world to rescind it, but by then the damage had been done in that particular game.

It seems to me that the more demands are placed on referees to achieve consistency, the further away that consistency gets.

I'm not surprised Gus Poyet was apoplectic – at 1-0 down, Sunderland still had plenty to play for, but that was altered drastically by the red card. When you're down in the basement dogfight, it's hard enough to grab yourself points with 11 men.

I just hope that, when the season ends, Sunderland fans aren't talking about decisions like that and the decisive effect they've had on the club's fortunes. One thing's for certain: that consistency we're meant to be aiming for is a mile off.



"Artur, for the last time, it's not a giant grenade!"

Expect more goalkeeping shockers!

THIS IS turning into a fine old season for goalkeeping howlers. Hugo Lloris made a classic against Man City to allow them to score after 14 seconds, but Artur Boruc's attempted dribbling act against Arsenal really takes the biscuit. I've seen goalkeepers get away with one Cruyff turn, but trying it two or three times in a row in quick succession was only going to end badly.

I predict we're going to see plenty more goalkeeping shockers this season. The football's more open and we're seeing increasing pressure being exerted on defences.

Even Costel Pantilimon, Joe Hart's replacement, is making mistakes – the lucky thing for him is he's getting away with it. For now.

QUOTES COMPILED BY GRAHAM WRAY

"Free Quavers? Go on then, I'll have a bag"

Mourinho's smart even in defeat!

I DON'T think any of us would have predicted that FC Basel possessed the quality to do the double over Chelsea in the Champions League.

But you have to give Jose Mourinho credit for coming out and taking the full brunt of the blame. I think he played it very well, refusing to condemn his players and simply asking which of them felt a bit heavy-legged after their Saturday evening game – I'm guessing a few of them did.

So he didn't point the finger of blame, just got the message across to his players that if they feel tired, they a) have to tell him, and b) can't be upset if he drops them to the bench. As ever, he was a class act.

Getting rid of Malky would be madness!

ONE OF the most puzzling aspects of the season so far is the fact that the speculation about the job security of Malky Mackay just won't go away, despite him doing such a good job.

If he does go, he'll be a victim of the curse of the modern owner, who thinks he knows his football. He should look at Malky's results and the quality players, like Gary Medel and Steven Caulker, who were brought in over the summer with very little financial outlay.

I suspect owner Vincent Tan has already made up his mind, but he could do a lot worse than look to the Glazers at Man United and the continued support they're giving David Moyes.

"Exterminate! Exterminate!"

"Quote me on that!"

This week's biggest match debaters!

"For Chelsea, it's a case of so good, so far"
Try that the other way round, Jamie Redknapp.

"I won't forget that weekend with David Moyes"
Malky Mackay enjoyed his romantic break.

"Lukaku isn't 3ft 4"
Paul Merson has noticed Everton's striker isn't a midget.

"Paul Merson wrote the book *Janet And John Go To The Bookies*"
What's the betting Jeff Stelling is fibbing?

"Shola Ameobi could become Prime Minister"
That's a tad unlikely, Alan Pardew.

"Those two lads – El Ahmadi, Sylla and Agbonlahor – were brilliant"
Alan Pardew can't count.

OO-ER SOUNDS A BIT RUDE CORNER!

"As a striker, I'd want to keep penetrating the defenders"
Paul Jewell is filthy like that.

"Stuart Broad is squeezing it into the batsman's slot"
Mike Atherton on the shameless England bowler.

The middleweight on his first title defence and Chelsea's season so far!

Hi Darren! Have your feet touched the ground since beating Daniel Geale to become IBF world middleweight champ?
It's been such a buzz, a real dream come true. It took a long time to sink in that I'd done it. I've watched it back and every time I get goosebumps. I've had a tough few years so it was just a really special moment for me.

How did you celebrate?
I went back to the hotel where my family were and had a glass of champagne and then got some food before going to bed! The adrenaline was still pumping because I went to bed, slept for about three hours, and then woke up with no aches and pains at all. It was only when I got up the following day that I really felt the effects of the fight. I could hardly move!

Your first title defence is against Felix Sturm in Stuttgart. Will it be tough?
Yeah, he's a former champion and a great fighter but he's a little bit past it now. It'd be nice to beat him after a few other British fighters have fallen short. I've been excited about this fight since I won the title. I'm going over there to give it a real good go. I'd have preferred it to be in London but it's no big deal going over there. There's no real advantage for him being in Germany.

Have you been wearing your belt around your house?
Yeah, I wear it every time I pop out for a pint of milk! The belt they gave me after the fight, I only got to keep for a bit, and they gave it back to him and sent me a brand new one! The one I paraded at the Chelsea game after the fight was actually my IBF Intercontinental belt which looks almost identical, so I don't think anyone noticed.

Have you been pleased with Chelsea's season so far?
Yeah, it's been OK. We've got Jose back and hopefully he can make Stamford Bridge the fortress it was when he was here the first time. We dropped a lot of silly points last season at home to teams like Southampton who got a draw whereas a few years ago that wouldn't have happened.

Were you disappointed they didn't sign Wayne Rooney?
I'd have loved to sign him but I'm not sure if he was the answer, because we play a different way to United. It'd have been great to see him in a Chelsea shirt because he's such a good player. It did look like it was going to happen for a while but it looks like the chance has gone now.

Thanks, Darren. Finally, who do you think will win between David Haye and Tyson Fury – if the fight ever happens?
Haye's too quick for Fury. Look at Fury's last fight, he got knocked down by Steve Cunningham and Haye hits harder than Cunningham, for sure. David might be small for a heavyweight but he's very strong, so if Haye catches him with a Haye-maker, Fury will struggle to get up from it. But Tyson's a big lump so it won't be easy!

- Darren Barker vs Felix Sturm, live on Sky Sports 1/HD, Saturday 7 December from 8pm. Darren was speaking at the Fight Zone in Lillywhites with Lonsdale. For more information follow @lonsdale1960 on Twitter.
